A Pilgrim's Guide To The Camino Portugu s: Lisbon - Porto - Santiago / Camino Central - Camino De La Costa (Camino Guides)

Synopsis

Updated to include newer maps and photos and weighing less to support carefree traveling, the latest edition in these comprehensive guidebooks to the Camino de Santiago and its offshoots contains all the information needed by modern-day pilgrims wishing to walk the sacred Way of Saint James. Overview route planners plus all 30 daily stage maps and detailed town plans help sojourners with as much advance preparation as they need. The completely redone maps feature contour guides to help distinguish the terrain that will be crossed each day, while full information on all pilgrim hostels, as well as details for alternative accommodation, allow travelers to plot adequate nightly stopping points. All reference information is accompanied by helpful spiritual guidelines to support the seeker's inner journey as well as the outer pilgrimage. For travelers who wish to walk from Lisbon or Porto to Santiago de Compostella, either on the classic way followed by St James himself or on the coastal route along the Atlantic Ocean.

Customer Reviews

John Brierley is a former chartered surveyor and the author of *A Pilgrim's Guide to Camino de Santiago*, *A Pilgrim's Guide to Camino Finisterre*, and *A Pilgrim's Guide to Camino Português*. He lives in Frampton-upon-Severn, UK.

Recently, a man who has walked the Camino de Santiago three times suggested Brierley's books to me. He is straightforward about the pleasures, challenges, and spiritual meaning of these

pilgrimages which lead to the St. James Cathedral in Santiago in Spain. If you are thinking of starting your voyage, this book is very helpful.

Used this guide on my Camino. It is definitely better than the "Maps Only" version. Spend the extra money and get this guide as there's more information you can use. I do wish he'd include web or email addresses for contact as not every Pilgrim has a cell phone.

Excellent! Very detailed with good tips and great resources to plan for yourself.

Brierly is accepted as the most popular author on guides for the Camino de Santiago. This one will help me to do the Camino Portugues and I am pleased with that.

Used his book on the Camino Frances and found it to be my bible!! I look forward to using the Camino Portuguese on my next adventure.

It was just as expected, a must for the Camino de Santiago. Recommended to me by other pilgrims.

Wonderful review of the Camino Portuguese and a wealth of knowledge with regard to the day to day info that Pilgrims need access to.

I used this book and the similar Fisterra book for my pilgrimage in April 2006. They are both superb. I followed Brierley's suggestions pretty much to the letter. The book contains excruciating details as well as a longer and spiritual view. I think of the book as a personal gift to each of us pilgrims. Brierley obviously loves his work and the Camino. He kept me on track, put me to bed early and awake early when it was important, encouraged me to appreciate the wonderful people and sights along the camino. He offers history lessons, lists of practicalities, maps and directions. This book is all you need!
