Customer Reviews

Robert and Jane Gildart are hikers, writers, and photographers who specialize in outdoor recreation. They are authors of *Best Easy Day Hikes Shenandoah National Park* and *Shenandoah National Park Pocket Guide* (both FalconGuides).

This book was really helpful during my recent trip to Shenandoah. It's well-organized with thoughtful and informative comments. We loved knowing which hikes allowed dogs and the location, length and difficulty of the trails. We consulted this book on the trails, in the car and at the cabin. Just excellent.

Great guide book, the information was everything I needed plus more.

Very informative. I used this for my trip last summer and found it really helpful!

Very pleased look forward to putting into use on the trail!

As advertised. Did 3 hikes. Plan many more

Very good structured book.
