ExcellentDown to earthWell writtenEasy read

Very encouraging, thank you so much!

Lynn R Davis is a woman of God who has experienced some things in life and is not afraid to share her stories of how she got over. I thank her so very much for sharing what helped , this book like the other Lynn Davis books gives us easy, practical ideas backed up with scripture. Thank you Ms. Davis I loved this book as much as your other titles.

As a fellow Christian writer I find your book and story very inspired, Thank You very much for your works.

excellent book, I like the way she approached the subject and I am hoping to be able to also purchase this on audio or at least print as well. I am also looking forward to reading her other books, she approaches the subject head on and doesn't use fluffy fillers, she's not wordy . 7/17, the audible version narration just not do this book justice in fact the voice is so annoying I can't listen to it.

The author delivered on her promise by giving you guidelines that you can incorporate in your life as faith strategy. It was easy to read and made me want to take notes for my journal.

Great book. It is helpful. I think it could help when we are facing giants. And to prepare for a spiritual fight.
