Incredible Tales Of The Royal Canadian Air Force: Unsung Heroes Of World War II (Amazing Stories)

Synopsis

More than 250,000 courageous men and women were enlisted in the RCAF during World War II. They fought in all the major air operations. Thousands lost their lives. Only one in four aircrews completed their bomber tours: some were killed in action, some in training, others became prisoners of war. All volunteered. These are the stories of the valiant Canadians who fought in this brutal war.

Great stories and ones that are seldom told . Canadian Airmen need to be honored more frequently for their service in WW2. I had a friend who was shot down twice and ended up in a German Camp until the end of the war.
