Customer Reviews

Brand New 2015 Wall Calendar

It is a calendar, and it has photos of SI swimsuit models. If you think this will be a problem, then don't buy it. If you buy it, don't hang it on your cubicle wall at work. With that in mind, this is a worthwhile purchase (it's a functional calendar, complimented by photos of beautiful models).

Pretty good calendar but the girls cannot compare with those of the Playboy Calendars. The photography seems to be only above average. This is given the grade of a B.A. Nathaniel Wallace, Jr.

A gift for boyfriend. I have my own revenge by writing silly girl sayings on post-it notes! I don't like the inset photos of the models on the calendar pages. I would like to see them portrayed less vampy and more classy.

If you love those young women in bikini's... it's not bad at all!

My brother in prison loves this calendar. He tells me that he is the envy of his block.

For my 21 year old son. He loves it. Imagine that.

I get a wall calendar every year and this one is as amazing as the rest. Kate Upton is in it so that's a huge plus haha.

Way better photos than the 2014
