The book covers the area south from Everett on Possession Sound to Seattle's Alki Point, and west to Kitsap Peninsula and the far reaches of Hood Canal. Middle Puget Sound & Hood Canal also includes sections on Lowell Riverfront Park in Everett, Spencer Island, and Theler Wetlands, plus lots of good info. on Seattle's waterfront.

I was looking for a boating based guide book of this area. Probably my mistake for not understanding that.

We live on Puget Sound and refer to this book often. We have bought 3 copies for family members.

This guide to the Puget Sound and Hood Canal carefully describes how to access these great water

ways by land and by sea. Excellent maps and photographs accompany the text. A little history and a lot of valuable current information hiking trails, marine parks, marinas, and other waterfront attractions. From agate Passage to Ye Olde Curisoty Shop; you will find it here. The appendices provide a good reference to facilities and additional information. Well indexed.

This book, more so than any other I have found, really spells out how to access wonderful places in the Hood Canal region like Shine Tidelands, Hood Head and the huge, magnificent Toandos Peninsula. You just won't get this info anywhere else! Simply a must for exploring Poulsbo, Quilcene, Brinnon, Hood Canal Bridge area and much more.
