# Here Comes The Garbage Barge

## Synopsis

Critically acclaimed children's author Jonah Winter reimagines a true story from 1987. The small Long Island town of Islip has a big problem - 3,168 tons of garbage and no place to put it! So workers pile the smelly refuse on a large barge, hire a tug boat, and send the stuff south to find a final resting place. But as the barge travels from North Carolina to New Orleans and from Mexico to Belize - nobody wants Islip's rotting mountain of garbage.

## Book Information

Audible Audio Edition

Listening Length: 14 minutes

Program Type: Audiobook

Version: Unabridged

Publisher: Recorded Books

Audible.com Release Date: February 27, 2013

Language: English

Best Sellers Rank: #57 in [Books > Audible Audiobooks > Children's Books > Science & Nature](#)  
#6445 in [Books > Audible Audiobooks > Children's Books > Fiction](#)

## Customer Reviews

Great story line and wonderfully "illustrated".

I love this book! It's such an interestesting (and true) story. I feel it increases children's awareness of the production of too much garbage in our society, and how it doesn't really "go away" once we throw it out.

My 4-yr old loves this book so much I had to buy him a copy! We've borrowed it several times from the library, but he never gets tired of it so we figured just buy him a copy and he can have it forever!

My son brought this home from the school library. I bought it for our collection.

This beautiful and humorous picture book chronicles the true story of a little tugboat and its barge full of garbage setting out from Long Island and venturing from port to port all the way to Texas and back, turned away at each attempt to unload its stinky cargo anywhere but the place it started from.

Winter's clever text accompanied by the animation-like illustrations of Red Nose Studio tells a tale for our time: Make Less Garbage!!!

This book is FANTASTIC!!! I have fallen in love with it's true message. GARBAGE!!! RECYCLE!!! I also think Chris Sickels is one of the most AMAZING artists!!! What a talent. I'm glad I bought this book. I will keep it in my collection.

My 3.5 year old son loves this book! Enjoyable read for families with lovely illustrations! Highly recommended!

My summer reading class and I enjoyed this book very much.
