Customer Reviews

Harry H. Harrison, Jr. is a nationally acclaimed author appearing on the NY Times and Booksense lists of best-selling non-fiction trade paperback and parenting books. He has over 1.8 million books in print featuring titles such as— A Father to Son, Father to Daughter, Life Lessons on Raising a Boy,— A Mother to Daughter, plus five titles in his 1001 Things series. He's been interviewed on 22 television programs and featured on over 50 local and syndicated radio programs coast to coast. His books are sold throughout Western Europe, Norway, South America, and the Far East. He and his wife, Melissa, have two boys. --This text refers to an out of print or unavailable edition of this title.

Surprisingly, the high school senior that I bought this for seemed to really like it. Opened it up at Christmas and sat there reading it while the other "kids" opened their gifts. Really seemed

interested. The organization and presentation of the material is designed for a short attention span and that's a good thing. Some really obvious points listed in the book, but honestly, college freshman sometimes need to hear the obvious.

Everyone going off to college should read this! I read it quickly first to make sure it was appropriate for my daughter who is going to UF. It jogged my memory and many times i thought, "Oh, I forgot to tell her that. And that!" I ended up buying two more as gifts. Very informative with nuggets of information that will truly make a difference.

I purchased this for my daughter. She is a junior and getting ready to begin touring universities. I read it in one sitting and although the short passages of advice seem, well...short...they are extremely helpful. Any young man or woman would learn quite a bit by reading through this small but informative book.

Coworker, a soon to be college student, absolutely loved this book. I was laughing at some of the pages.

Very cool book and great for new high school graduates! Book was smaller than I thought it would be. Overall good

I bought this book as a graduation present for every one of my sons' friends. Both the friends and parents really appreciated them, as the advice is quick and to the point, not wordy like so many of the other college self-help books. I recommend keeping this book in the bathroom, to encourage the students to actually read it over their busy pre-college summer!

most of the suggestions were obvious

Interesting read. Book was in great condition
