Song Of Songs: Divine Romance

Synopsis

Breathtaking and beautiful, the sweetest song of all ages unveils the Shulamite journey in the form of an anointed allegory. It becomes a journey that not only describes the divine parable penned by Solomon, but also a journey that longing lovers of Jesus will find as their very own. Love will always find a language to express itself. The inspired Song of Songs is a work of art. It is a melody sung from the heart of Jesus Christ for his longing bride. Its storyline is full of symbols and subtle art forms which, without interpretation, are often missed or overlooked. The Holy Spirit has hidden within the Song of Songs an amazing story of how Jesus makes his bride beautiful and holy by casting out her fear with perfect love. This revelation sent from heaven is waiting to be received with all its intensity and power to unlock the deepest places of our hearts.

This incredible breath of life will awaken the love of your Creator for you. It will unlock the longing of your heart, to know that you are loved more than any other. You are perfect and complete in His sight. There is nothing you can do to cause Him to love you more and nothing you can do to take away from His unending love for YOU!

Love this book. Really gets in depth and gives definitions and connections. It's an eye opening to Songs Of Solomon, it really helps you understand why this book matters to us and that it's not just a love song from Solomon. I recommend everyone to get this translation even if it's for other book of the Bible.

These beautiful words paint the best picture ever of Christ and His bride. The tender, compelling draw of the lover King to His bride whom He adores - eradicates the false fables of God, the tyrant that wants to destroy us. He's lovingly wooing each of us to His heart, no this book helps enable all to come.

I loved this. I was not sure I would because I have always landed on the side of "this is a song of a man and wife" instead of "Christ's relationship to His Bride" but this translation really did a great job of showing me how it does indeed do a GREAT job of expressing Jesus's love and sacrifice. I especially loved the study notes. GREAT stuff.

The Passion Translation brings to life the Song of all Songs in a way that will take your breath away. I highly recommend you get this book and read it slowly and thoroughly. It will change your life.

This is a lovely translation. I would love to listen to it read over and over. However, the kindle edition auto reader reads a chapter, then the end notes of that chapter. Then, the next chapter, etc. I was totally enchanted at the explanations of the word choice in Hebrew and the more subtle meanings of the cultural references. I would like to see the structure of the book updated to the chapters altogether first, then the end notes written in expository explanation as chapters, then the end notes at the very end of the book. And an audiobook option with book purchase. That would be perfect.

WOW! The Passion Translation is amazing! I have never felt so loved and cared for as part of the bride of Christ. Beautiful! If you are looking for greater understanding of God's Word for these times, look no further.

Such a wonderful interpretation of the Song of Songs. It's great to get an understanding of this special book at last. That we are the Shulamite - the Bride and Jesus is the Bridegroom - we are His beloved!
