The Blessing: Giving The Gift Of Unconditional Love And Acceptance

Synopsis

The best-selling classic that helps children thrive today and experience a special future tomorrow. Now revised, updated, and enhanced for a new generation! Children of every age long for the gift of the blessing—the unconditional love and approval that come from a healthy relationship with their parents. This life-changing gift, essential for instilling a deep sense of self-worth and unshakable emotional well-being, contains five essential elements: Meaningful touch, a spoken message, attaching high value, picturing a special future, and an active commitment. Offering solid, practical advice and a fresh perspective on making this gift a bigger part of our families, The Blessing powerfully communicates these biblically based elements as necessary to prepare children for positive future relationships, including their relationship with a loving God. But what if we've missed out on the blessing in our own lives? This audio book gives hope for reversing the curse—and helps listeners find blessing in situations of divorce, death, desertion, adoption, and blended families. New to this updated edition are practical ideas, questions, exercises, and links for online resources—plus practical advice for planning a blessing event for a child, preparing a keepsake blessing, and living out the blessing every day of our lives.

"Using biblical principles and the field of psychology, this production offers listeners a way to redeem their relationships with family and friends. Kelly Ryan Dolan narrates as though this work were his own. As the authors discuss the consequences of missing out on the blessing—and help listeners figure out that it's not too late to embrace it, listeners can hear tones of struggle

and excitement in Dolanâ™s voice.â Since there is much to consider in its message, this audiobook requires listenersâ™ undivided attention. Familiarity with TheBlessing.com is also advised as listeners embark on the quest to give and receive âœthe blessing.â • "T.D. Â© AudioFile Portland, Maine

This book is helping me understand some of my own issues; the underlying reasons. What a powerful book for any parent on how to raise your children and what you should give them emotionally leading up to them leaving home and doing life in the real world. I would recommend for all parents and also for people like me that missed the blessing and had no idea I had until reading this book. I am now more at peace with my emotional makeup and know that, with this information, I can work to change some of my hangups.

This is an excellent, thought-provoking book on how parents can assure their children that they are truly loved. Even when their children grow up and become adults, parental blessings can be a source of renewed confidence and peace. I especially liked the way the author gave examples of how parents could express their thoughts

Couldn't get any better....well worth the purchase....please, please get this book...it does not only apply to husbands and wives. Do you have a relationship with someone? child, co worker, buddy...then you need this book!

America--indeed, all of western civilization--is plagued by an army of boys in men's bodies. Part of the reason is that we are the only culture in history that does not initiate its boys into manhood. Thus, we as grown-ups enter into adulthood with no self-worth, no self-concept, no sense of place and purpose. The Blessing offers vital ideas on how to remedy that, not only for the rising generation, but for those of us adults still looking for validation as men. I am using these ideas as part of my strategy for raising my own son.

This is the updated version of timeless help for today's living. Get it with the workbook.

This is a wonderful book that every parent, grandparent, aunt, uncle, and teacher should read! It can have a profound effect on every child that you come in contact with. It contains the 5 things that a

child must have from a significant adult in their lives. Definitely for every parent to read! And it is beneficial for those who work with children. And if you did not receive the Blessing from your parents, there is information about how you are able to receive the Blessing as an adult! We even have a small group of ladies who studied this book together and we have become a Blessing Bunch that meets weekly. We are in our second year of giving the Blessing to others!

Excellent book. Helps you reflect on the past and gives you insight for the future.

I'm still reading this book as I'm absorbing the message. It has been extremely helpful and mind-opening for me as I continue this journey. Came in excellent condition and in a very timely manner. Very pleased !!
