Berserk, Vol. 5

Synopsis

He is Guts, the Black Swordsman, a warrior of legendary prowess – relentless, fearless, merciless. As cold and brutal as the iron of the massive sword he wields. Bent on revenge against the unholy forces that have branded him for sacrifice, but especially on Griffith, one of the demon lords of the Godhand. But Griffith was once a man, the leader of the Hawks, a renowned cadre of elite fighters with a young Guts as its fiercest champion. Though forged in a crucible of cruelty and violence, nothing could prepare Guts for a confrontation with Nosferatu Zodd, a superhuman beast who slaughters Guts's comrades as easily as a scythe cuts wheat. Even Guts and Griffith are no match for the abomination's power...but something Griffith wears around his neck may well be!

Berserk is one of my all-time, if not favorite mangas. This particular chapter feels like a foregone conclusion, but that's only because the characters are shown at the beginning. It's well-done, the artwork of course is very nice and it'll keep you reading. This wasn't meant to be an extremely deep chapter, but instead provide some exposition for the beginning of Berserk and the characters within its Universe. As I said, this chapter might feel like a foregone conclusion with very little twists, but still worth a read. Don't worry, the story gets extremely good, extremely soon.

Very nice

Purchased for my boyfriend's collection. He loves them

If you haven't read or seen berserk, you don't know what your missing. From art to story, very well done in every little way. You can feel the action frame by frame. Solid work. One of the best.

Berserk by far has been one of my all time favorite mangas. The ANIME was good but in the Mangas they dive further into how GUTS becomes the "Black Swordsman" which is where I really wanted the original Anime to go. Although now with the new Anime movie set coming out, I hope that is where they will take the story, to follow more of his transformation into the Black Swordsman.If you haven't read it, get the series and enjoy.

Its Berserk, if you are buying them then you already understand the world you are getting yourself into.

This series has a very serious, dark overtone. If you like game of thrones or violent revenge stories, this is for you.

Yet another volume of Berserk I bought that turned out to be FRENCH. Didn't realize until it was to late.
