Ancient Luang Prabang & Laos

Synopsis

The first edition of Ancient Luang Prabang was published in 2006, and a critically acclaimed revised edition appeared in 2008. This current edition is a substantially revised and updated work, with new sections added as well as additional photographs and the latest research and traveler information. The sections on the temples in Luang Prabang have been revised and updated and the book now includes other cultural highlights of Laos, such as the Plain of Jars and Wat Phu. Aimed at the cultural traveler who has limited need for independent travel information and hotel bookings, this essential guide includes almost 400 color illustrations, over 60 black and white archive photographs, 27 temple plans, Plain of Jars plans, as well as architectural drawings and sections on the art and culture of Laos, silk, silver and other local crafts and buying suggestions, French colonial architecture, a restaurant guide and a brief hotel listing. Richly illustrated, it is the most extensive and beautiful guide available for the cultural traveler visiting Laos today.

Customer Reviews

Denise Heywood is a freelance lecturer, journalist and photographer specializing in Southeast Asia.

This authoritative guide to the architecture, art, history, and culture of this ancient city and country is highly detailed with interesting, invaluable information, yet always readable and well organized. It is also beautifully and generously illustrated. Ms. Heywood has given us the best possible introduction to this part of the world.

This excellent book is both a guide book and an art book, a great combination for this area of the world. It's highly recommended for anyone going to Laos or interested in the art or culture of the country. The author, Denise Heywood, is very knowledgeable and an excellent writer and photographer.

Great
