Customer Reviews

Since my company no longer gives us calendars for our offices, I must provide my own. I purchased this since I recently visited Poland. The calendar is quite nice, and I enjoy looking at it, as it brings back good memories of my vacation. Only wish there were a few pictures of Krakow, which is a very beautiful city!

Generally disappointing. Has photos of Poland but the months are listed in several languages except Polish! Very odd. Poland by Mail does a better job but they don't publish a calendar every year. Szkoda! (too bad).

Another wonderful Polish calendar, by the good people at Brown Trout!

Beautiful photos! My dad loves it.

Can't say anything bad about the photos, its Poland and beautiful, but since it's a Polish calendar I would expect the months or maybe even days be written in Polish (not just in English followed by Spanish).
