**Imogen Dyer (Author)** Imogen Dyer is the unstoppable on-screen talent behind Weekly Imogen, the phenomenally successful photography tips & tutorials YouTube channel which averages 50,000 views a day. Imogen and Mark began their photographic partnership in 2009 after a chance meeting at a village fete. Mark posted the images they shot together online and such was their success that they launched a YouTube channel to share their tips and techniques with Imogen presenting. Thus WeeklyImogen was born. In just four years it has become one of the biggest channels on YouTube, with over 150,000 subscribers and well over a million views a month with no sign of the growth slowing down.

**Mark Wilkinson (Author)** Mark is an exceptionally talented self-taught photographer who delights in taking portraits in simple settings and extracting every last ounce of colour, texture

and, crucially, natural light. Mark prides himself on working with an entry level Canon SLR, and a variety of lenses, though mainly a standard 50mm f1.8 lens. His personal photographic journey started when he was bought the wonderful Olympus Trip for his 12th birthday.
