# The Resolution For Women

## Synopsis

From bestselling author Priscilla Shirer, in partnership with the creators of The Love Dare, comes a resolution that challenges you to realign your daily decisions in a way that glorifies God and fulfills who He created you to be. Layered with biblical truth and seasoned with encouragement, The Resolution for Women will inspire the woman you see in the mirror to trust God's perfect plan for her life, resolving to become "purposefully feminine, surprisingly satisfied, and faithfully His."

Stephen Kendrick is senior associate pastor of preaching and prayer at Sherwood Baptist Church in Albany, Georgia. He is also a screenwriter (Facing the Giants, Fireproof, Courageous) and movie producer and co-wrote the New York Times bestsellers The Love Dare and The Resolution for Men with his brother, Alex. Stephen and his wife, Jill, have four children. Alex Kendrick is associate pastor

of movie outreach for Sherwood Baptist Church. He is also an actor, writer, and director whose film credits include *Facing the Giants*, *Fireproof*, and *Courageous*. He and his wife, Christina, have six children. No Bio

I read some of the reviews where people were saying the examples she used were "too simple" or that the book was a "huge miss". This book isn't for everyone, but for those who were led to look into purchasing this product, I would encourage you to pray as you read through the comments and be led by the Spirit. Priscilla writes in a way that a wide range of people can grasp the concepts; from a "baby Christian" to an advanced theologian. The "simple" examples she uses fit perfectly into the flow of her writing and cause you to remember what was said. I will never look at baking bread the same...I LOVE how God can use even the "simple" to get a point across to us! I have not read the *Resolution for Men* and therefore cannot compare the two, but this book as a whole deserves 5 stars.

We are using this book for a women's class at church, and everyone has raved about it. It is an EXCELLENT book for Christian women who are not satisfied with being a Christian by name only. It challenges and encourages women in very practical ways. I have recommended it to all of my Christian friends.

This book earns 4.4 out of five stars from me. As part of my new year goals, I decided to read a chapter (or segment) of inspirational or motivational nonfiction before bed at least five out of seven nights. This represents the first inspirational book chosen for that purpose this year. I love the tiny segments each part of the resolution is divided into. It makes for a perfect reading and reflection length in the evenings. I scrawled several pages worth of notes and introspection during this quiet time. The writing is filled with great illustrations and plenty of scripture references. Why not a higher rating? While the book started out strong, I felt the final few chapters didn't have the same emotional impact. Not because the topics were unimportant or irrelevant either. I'm not sure what went wrong for me, but ending on a lower note than the book started with affected my rating. I still recommend this for anyone who feels like they need guidance for their spiritual journey. It's not really a Bible study, but it has the potential to spark interest in different study topics.

This is a book you will thoroughly enjoy and will make you go back and read it over. I love how the book is broken down for the average busy person to read small pieces at a time. I also love the

personal life examples the author uses.

This is one of the best books I have ever read. I love the content, the questions that challenge me to think outside of the norm. Priscilla did a fantastic job with this book. I enjoyed it so much I purchased three copies to give to friends plus purchased the leather edition for myself to re-read and take notes in.

Too many women second guess themselves or secretly suffer from lack of confidence. This book walks women through life's path by leading us to acknowledge our strengths, to develop Godly resolutions, and to become confident decision makers. The author is a favorite of mine who is obviously gifted in leading women. Each of her books lead women to become greater than before they opened one of her books.

Great book. It's a book you read and meditate on. I bought three extra copies and gave them all away. Would highly recommend.

One of the best books I've ever read!! Definitely life changing!! Every woman needs to read this!! So encouraging and challenging!! Loved it!!
