The Right Steph: How Stephen Curry Is Making All The Right Moves—with Humility And Grace

Synopsis

Steph Curry: You Can't Keep Your Eyes Off of Him – In a few short years, Stephen Curry has reshaped the way basketball is played, been proclaimed the best shooter in basketball history, and has been lauded by pundits as the best player on the planet. – Stephen has been named the NBA's most valuable player for the past two seasons, led the Golden State Warriors to its first NBA championship in forty years during the 2014-15 season, and opened his heart in such a way that America has fallen head-over-heels in love with him and his endearing family. Likable, humble, soft-spoken, and living out his faith – using words only when necessary – Stephen Curry is one of those nice guys you'd want to meet or have your kids emulate. We feel like we're on a first-name basis with the young man, so much so that he's now known by the diminutive form of his first name: Steph. In this fun, fact-filled biography, veteran author Mike Yorkey describes how Steph Curry has taken over a popular game that brings together a basket, a leather ball, and a flick of a wrist from beyond the three-point line – all the while with his family cheering him on.

Mike Yorkey's book has touched the fibers of my faith, as I beheld a fellow believer, living in the light of his gift without denying the God who endowed him with it. (Tshombye K. Ware Reader's Favorite 2016-10-25)

In the last couple of years, Stephen Curry has reshaped the way basketball is played, been

proclaimed the best shooter in basketball history (with the stats to back him up), morphed into the baby-faced face of the NBA, and has been lauded by many experts as the best player on the planet. In this fun, fact-filled biography, *Playing with Purpose* author Mike Yorkey shows how this likable, humble, and soft-spoken basketball player is living out his faith—using words only when necessary.

Both of my boys were bored to tears reading this book and Steph Curry is their favorite player. Too loaded down with details and my boys found it hard to keep their attention on the book.

Steph is a leader within a sport which the public gets to enjoy. This book shows a consistency in his life with his family now, his family growing up and the team as his "business family". Being humble provides his energy to serve his God, his Family and his team for success in his life....Thank you Steph, LA Mike
