Founded in 1947, Hal Leonard Corporation has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

An okay book for an older child who is well experienced at recorder. Do not buy this for a beginner though - it is definitely too hard. Not all Christmas songs, either. There's other songs like Hot Cross Buns, Twinkle Twinkle etc...
