Career Building Through Using Digital Design Tools (Digital Career Building)

Synopsis

The field of digital design offers immense opportunities for creative young people. Digital designers are in high demand to help design and create images for Web sites and digital media. Business is becoming more dependent on Web marketing, which often relies on visual design to succeed. This title raises teens' awareness of the many opportunities available in this burgeoning field. It explains how they can develop skills in digital design through both informal experience and formal education, and create an impressive portfolio that will open doors for them in the future. --This text refers to the Library Binding edition.
