Age Range: 2 - 4 years

Grade Level: Preschool - Kindergarten

Customer Reviews

Owen adores Easter. Life doesn't get much better than a basket full of jelly beans ("My favorite"), gumdrops ("My favorite"), buttercream eggs ("My favorite"), and a chocolate bunny ("My favorite"). Unless... there's also a little yellow marshmallow chick the same color as our hero's fuzzy blanket. Decked out in his purple plaid Easter finery, this boy mouse spends a giddy day playing with his sugary new pal. And does he succumb to tasty temptation? How dare you even think such a thing! Kevin Henkes, in picture books such as Lilly's Purple Plastic Purse, Sheila Rae's Peppermint Stick, and our introduction to the blanky-toting mouse, Owen, creates recognizable characters in familiar settings and preschool predicaments. His bright, spring-hued illustrations and gently humorous plots are tremendously appealing for readers young and old. In no time, this cute little board book will have every youngster announcing, "My favorite." (Baby to preschool) --Emilie Coulter

Preschool-Kindergarten--The little mouse is back in this charming board book. Owen cannot resist any of the goodies in his Easter basket except for the yellow marshmallow chick, which happens to be the same color and texture as his cherished blanket. Instead of eating it, he plays with it, smiles at it, and finally puts it on his shelf and kisses it good night. Henkes has kept the text short, simple, and rich. His illustrations are also simple, uncluttered yet full of winsome expression. A sweet friendship story for toddlers and preschoolers. Ann Cook, formerly at Winter Park Public Library, FL Copyright 2002 Cahners Business Information, Inc.

There isn't much of a story to this book, but my 3 year old likes it. Got it for him for Easter because his name is Owen. I think he likes it partially because the character has a yellow blanket, similar to my Owen's yellow blanket. Honestly, I would give it 2 stars if my son didn't like the book. But he does, so it must have some value.

This book is super cute and fun. My 3 and 1 year old both love it. Good quality board book. My son has yet to be able to eat it.

We bought this as an Easter gift for our own little Owen and it is such a cute book.

Book is adorable we can't wait to give it to our grandson in his Easter basket!

What fun to find another story about wonderful little Owen! I bought it for my grandson Owen and plan to give it to him at Easter. I can hardly wait.

Very boring if you're expecting it to be at all like the original Owen story.

Bought for daughter and 2 nephews for Easter. They all like the book!

Such a darling Easter book. My 2 year old grandson loves it!
