The Grail Quest Books 1-3: Harlequin, Vagabond, Heretic

Synopsis

Bernard Cornwell's bestselling Grail Quest Trilogy in one complete eBook for the first time. Follow the famed archer Thomas of Hookton as he avenges his father's death and retrieves a stolen relic. HARLEQUIN 1342. The English, led by Edward III, are laying waste to the French countryside. The archers, the common men, are England's secret weapon. The French know them as Harlequins. Thomas Hookton is one of these archers. But he is also on a personal mission: to avenge his father's death and retrieve a stolen relic. Thomas begins a quest that will lead him to finally where the two armies face each other at Crecy. VAGABOND 1346. England lies exposed to the threat of invasion. Thomas of Hookton finds himself back in the north as the Scots invade on behalf of the French. He is determined to pursue his quest: to discover whether a relic he is searching for is the Holy Grail. HERETIC The Hundred Years War has been suspended. The truce release Thomas of Hookton to pursue his arch enemy and resume his quest for the prized relic: the Holy Grail. But fate strikes and the plague grips hold. And the Holy Grail is needed more than ever as a sign of God's favour.

Customer Reviews

Bernard Cornwell writes with an almost cold accuracy.....making one dislike and like both heroes and villains...no apologies offered. The characters bring the historical facts alive and offer "heart" to a superstitious and fearful time. In the midst of an orgy of cruelty and the careless reality of warfare - keep a dictionary handy as your learning of ancient weaponry expands.... book 1 turns one into a series download....

A very entertaining read. I enjoyed the first two books in the series more than the third.

Bernard Cornwell writes whatever historical period he chooses as well as anyone I've read ! Always enjoyable and hard to put down !

Some of the links between books are a bit tenuous, but overall his descriptions of conditions surrounding the characters at the time are fascinating and I enjoyed the atmosphere he built around the people and their situations

From the first page, the historical accuracy and sheer joy of sharing the adventures of the Templars is brilliant! Enjoyed every word and page. Bernard Cornwell has a real and relatable affinity with English history.

A strong historical theme running through a gripping plot which was difficult to put down. Some great twists and turns.

another expensive set of cornwell books. as most of cornwell's output is of a high standard, one must bear the publisher's pricings!

Great read and excellent value. Bernard Cornwell excels with this type of historical novel; and his research is awesome.I only hope that there is some more adventures of Thomas in the pipeline.
