Synopsis

The perfect gift, and the easiest gift—because we all know someone who deserves a pat on the back, a big thumbs-up, or just a special thank-you! You Are Doing a Freaking Great Job is a vibrant, colorful, pocket-size book of encouragement. Created by more than 20 artists and designers—from the well-known Etsy favorites Emily McDowell and Mary Kate McDevitt, to emerging talents Lindsay Whitehead and J. Zachary Keenan—this powerful little book is filled with nearly 200 uplifting and inspiring quotes, lyrics, and words of advice rendered in the original hand-lettered style of art that is pinned and repinned on Pinterest and sold on Etsy. There are mantras: “You are in charge of your own happiness.” Galvanizing words of action: “Make it now.” Heartening quotes: “You are capable of more than you know.” Bursts of motivation: “Be a Warrior, Not a Worrier” and “Spread Your Arms and Trust Your Cape.” Interweaved throughout is complementary text—including surprising playlists, sweet and simple recipes, and suggestions for inspirational films to watch and commencement speeches to read.

Sent to my daughter in college during midterms and she liked it a lot

I ordered this for a friend who is dealing with personal struggles & low self esteem & questioning her role in her job . The title alone caught my eye & suited my personality in terms if what I would give for a gift because I have a sarcastic off the wall humor.The quotes on every page are enlightening & inspirational. She chuckled at the title and enjoyed the book very much. It made both of us smile so I consider it a win! I would recommend ordering this for yourself, employee or loved one in need of a personal pick me up.

Nice book. Excellent reminders. I wish they would have consistently used the back side of the pages. About half (guessing) of the pages are blank while the other half have nice reminders or tips. It's kind of like they didn't have enough for all the back side of the pages when the publish date arrived but they shipped anyway. I commend the "ship it!" attitude but as a customer, I feel cheated on half the pages. Nevertheless, I like what's here and would buy it again (given the price)!

As a graphic designer, I love the hand-drawn inspirational quotes (as will anyone who appreciates great design). Plus, it has fun facts and suggestions throughout.

This was great. I got it for my fiancé for Father's day to take to work with him. I wrote a message on every page so as he goes through them he also has personal inspiration from me. He loved it.

This little book is fantastic. The pages are full of inspirational quotes with beautiful visuals. A perfect gift!

I love this little book. Perfect little pick me up! I purchased this after my daughter had passed, this little notes can defiantly help me get though the day....

The book is very little but cute!
