Red Hood And The Outlaws (2016-) Annual #1

Synopsis

"BROTHER IN ARMS"! When Red Hood discovers a new wave of criminal activity in Gotham City with a traveling circus at it's epicenter, he recruits Nightwing to help the Outlaws infiltrate the big top! Can the two would-be brothers put their differences aside and crack the case? Or will their division be the harbinger of their demise?

Customer Reviews

Everything is Excellent

Great!! First rebirth ever read and it's really dope. Keeps my attention and definitely not boring at all. Definitely recommend it.

Great read

I love red hood's look and style. He's a pro with guns. I can tell he was a former robin. This is a good book for people who like batman comics.

I like it a lot and I love the artwork, red hood is so very cool character and I like his fighting style.

Some questions answered, New questions raised. Will continue reading this series. Batmans world has reassembled with a freshness thought lost.

Comic Book Review Red Hood and the Outlaws #1 *by* *Dark Trinity Part 1: Fathers and Sons* (Released Monthly) Writer: Scott Lobdell Art: Dexter Soy The Red Hood aka Jason Todd has staged an assassination attempt of the mayor to gain the trust of the criminal underground, to infiltrate who is actually behind the plague of the techno-organic virus. As he continues his investigations, his findings constantly lead him back to the Black Mask and now the Red Hood has to try and bring down the Black Mask *by* the book as he has promised Batman that he would. As the Red Hood gains Black Mask's trust, he finds out that the Black Mask wants the Red Hood to be his heir as he has no children of his own. But before Black Mask has the Red Hood join his ranks, he wants to test the Hood's loyalty to see if he would be worthy to inherit his criminal empire. This Red Hood seems more tame than previous incarnations in this book, as he has a problem killing criminals. Todd even goes out of his way to say that Black Mask killing his own men in *"cold blood"* was *"harsh"* even for him. I thought killing criminals was his MO! Also it seemed weird that the Black Mask would make him in charge of his operations when Todd refused to execute his own men out of failing a mission. Wouldn't the Black Mask be suspicious of Todd after he refused to execute someone? I am thinking that the Red Hood's past of committing murder several times in the past is the reason that the Black Mask would still choose to believe him, but I thought Black Mask chose to trust the Red Hood too readily. I like the flashback sequences because whole scene will be colored in black and white, but his hoodie would be colored in red. It seems the creative team really want the color red to stick with the Red Hood and the art direction seems to be spot on. I have never seen any of Soy's art before, and it seems for the most part his artwork is great, but some panels seem disproportionate or lacking any real originality. Still some of his spreads are great, like the one where the Red Hood is going through a window while saving Ma. The covers for this book seem to indicate that the Outlaws will be Bizarro and Artemis, and I am curious how Lobdell will incorporate them into the team. Lobdell has done some amazing work on the X-Men so I know that he can handle a team book, so a three member team should be easy for him. Because of the writer

and his pedigree and the interesting cast of characters I am interested in checking out issue #2.

In 'Red Hood and the Outlaws #1' by Scott Lobdell with art by Dexter Soy, we get a lot of Red Hood, and not so much of the Outlaws, but I'm sure they will be along soon. Jason Todd, who I remember having been killed by the Joker once, has been back as the Red Hood. In this reboot, we go back to Jason's beginnings at Ma Gunn's School for Wayward Boys and the day Batman came to visit. We return to the present where Red Hood is rescuing Ma Gunn, but we aren't sure why at first. Jason still plays rough, but we see that he learned a few things during his time with Batman. I haven't read any Red Hood before, so I found the character interesting. I would definitely try more. I liked the writing and the art. He's a bit of a brooding character, but his flaws make him a bit intriguing. I received a review copy of this issue from DC Entertainment and NetGalley in exchange for an honest review. Thank you for allowing me to read this issue.
