# Introduction To The Human Body

## **Synopsis**

Introduction to the Human Body 10th Edition offers a balanced introduction to the human body, especially developed to meet the needs of the one-semester A&P course. It provides an effective blend of stunning art and clearly written text to illuminate the complexities of the human body. Class-tested pedagogy is woven into the narrative and illustrations to ensure that students gain a solid understanding of the material.

## **Customer Reviews**

Excellent condition. Everything that was described was in the box.

Book is falling apart at the spine and in awful condition. Don't know how I'll be able to get through a semester with it in this condition

i bought this book because to get the registration code and to do my home work in my Saudi Electronic university so please send that access to be active with my class mate

Had to get this for a class and it was what i needed. Affordable and easy to use. Good book

The book was in excellent condition.

The images in the book seem broken. They have a pink hue to them.

Perfect book! Look new! And perfect protection.

this book is effed up. not in good shape at all.
