'The Catcher In The Rye' By J.D. Salinger - Sidekick [Study Guide]

Synopsis

There's nothing phony about this study guide for J.D. Salinger's *The Catcher in the Rye*, which explores the mind of disturbed teen Holden Caulfield as he struggles to find an authentic world. Designed for students, this guide to *The Catcher in the Rye* contains everything you need to ace quizzes and essays on this literary classic. This controversial novel has enjoyed quite a history, which includes its past banned status due to its language, sexual references, and encouragement of rebellion. In detailed, yet easy-to-read chapter overviews, you'll be given valuable information to understand this complex story about a 17-year-old who faces mental illness and ongoing frustration with the "phoniness" of people. Each chapter summary and analysis of *The Catcher in the Rye* includes possible quiz questions, helping you prepare for the classroom. You can also use this study guide to prepare for longer essay assignments, as the guide includes specific bullet points to help construct both pros and cons of an argument. This guide to J.D. Salinger's *The Catcher in the Rye* features helpful discussion on historical, cultural, and autobiographical contexts. Learn the meaning of famous quotes from the book, including the novel's title and end quote. Get to know the characters that inhabit Holden's world and familiarize yourself with the novel's prominent themes, symbols, and motifs. As you work through the broken mind of an anti-hero, this companion study guide for *The Catcher in the Rye* is the only tool you'll need.

Customer Reviews

I have not read *Catcher in The Rye* and from all the notoriety I feel I am well informed. should be more apt to see this as Salinger meant for us to. ,

When I first read "The Catcher in the Rye" by J.D. Salinger in my tenth grade Lit. class, I enjoyed it immensely. This didn't mean I understood all of Holden Caulfield's ramblings and sad adventures--not enough to be productive in a class discussion or in writing an analysis essay. I had to pick up "The Catcher In The Rye" again for a college literature course, and I came across this study guide when I browsed the net for supplemental literature. I am so happy I chose this guide as my supplemental companion--it answered so many of my questions about Caulfield's predicaments and the themes in this novel. If you're reading this classic for a course, I highly recommend this study guide.

I wanted the original book.

Totally misleading. I'm just trying to buy THE BOOK. I want my money back even though it's only \$3. I feel I was misled.

This review follows the book The Catcher in the Rye, it helped to understand Holden Caulfield and the decline in his mentality as he tried to find a real world. I also found it helpful to explain why the book was banned when it first came out, and how it was tied to the shootings of both Ronald Reagan and John Lennon. Although this review was designed for students to use in school with its questions and class preparations, it also brought questions and answers that readers may not have thought to ask and the answers give insight into the characters, and plot twists I have heard of The Catcher in the Rye for years and to be able to read it with an analysis to follow every chapter so every question is answered right away, is brilliant.

I bought this because I was too lazy to read the book. But what a waste of money. Very little actual narrative and certainly simplistic. This is good for 14 year old but definitely not for an inquisitive adult.

A nice quick read. Predictable, but not so that it detracted from the story's enjoyment. A beach read perhaps.

A short and quick summary and analysis of the book... thank you!
