## Customer Reviews

Really enjoyed the selections and arrangements for most of the songs. I wish it had included Evita's Lament ("the choice was mine and mine completely"), which is really perfect for piano.

Very easy to read with good chords.

This is such a great book! I, myself, am a fan of Andrew Lloyd Webber and his musicals. And now, I could impress my parent's company by playing one of the many beautiful songs of Evita. This is a MUST have for Evita fans!
