This was a gift for a teacher. It is a very nice day-to-day calendar. I was told by the receiver that there are great quotes and crossword puzzles and word searches on the back. She enjoys doing these when she has a spare moment. Would highly recommend giving this as a gift to a teacher. They will enjoy it.

This was a gift for a colleague who was leaving to teach at a university. It arrived on time and in

great condition. I looked through it briefly before gifting and loved what I read. Now I'm debating buying one for myself.

The perfect day to day calendar for any teacher! It is colorful and cheerful. I struggle finding useful presents for our daughter's teacher. This calendar made the perfect gift for our daughter's 2nd grade teacher.

I don't know what I was expecting, but this wasn't it. Too much sappy stuff.
