In this guide you will find our Top 20 to the must see things to do on a trip to Tenerife. Tenerife is described as the 'Island of Eternal Spring', and after a visit here, you will understand why. From the dry south of the island to the green landscapes of the north, you will see how diverse this island is. The best way to explore the island is to hire a rental car at the airport when you arrive, and enjoy traveling around the mountain and coastal roads, to discover as much of this wonderful place as you can. Even if you prefer to relax, some car journeys around the island are certainly worth it, just to see the pretty villages and towns, and the breathtaking views from up in the mountains. Most of the locals of Tenerife live in the exciting capital, Santa Cruz. This city has something for everyone, and the best beach on the island is only a quick drive away. Party tourists can be found in the Playa de las Americas area. Families tend to stay in Los Cristianos, and those wanting a quieter holiday head to my favorite spot, what I believe is the prettiest town on the island, Puerto de la Cruz. There is so much more to discover on this great island than you might believe! Click on the Orange buy now button at the top right and grab your copy now! What makes this Tenerife 2017 book unique is that the author Lynne Knightley has visited the island and its attractions personally, and many times! She uses her firsthand knowledge to create a travel book which readers love. This all makes for a great experience when they visit Tenerife!

Customer Reviews

I really enjoyed this traveller's guide as it provides some great places to see and do whilst doing so without going overboard on detail. It is concise which is ideal if you want to use it as we did as something to give you an idea of where to go and what to see. I will look out for Lynne's guides to other locations before I travel!
