Customer Reviews

Best flute method on earth. Review from a flute teacher. Buy this book.

This was on my granddaughters wish list for about a year. I bought it for her as an encouragement gift and she was so thrilled as she really likes Trevor Wye's method and was so happy with the book!

The book is good. However, the CD contents does not match with the page of the book. Have trouble to locate where the each section of CD is referred to just by title.

Great product, quick delivery!

Excellent book that is an absolute must for all flute players. Highly recommend for woodwind doublers!

Got the needed book delivered in good condition. My daughter is happy.

a music book all flute players must have and practice daily.

A great book - six in one - for flute practice and technique studies.
