Customer Reviews

Ugh, what a worthless book full of tacky ideas. I purchased it with the intention of giving it to a 10 year old niece, but after glancing through it I am sending it back. Upon closer inspection, I now realize that all of the rave reviews are from shills who got a copy of the book for free for their "honest" review.

Got this to give as a gift for teenage girl--- super big hit! Neat DIY crafts that turn out really well but simple enough for beginners!

Fun gift for preteen or teen girls. Plenty of ideas.

This is a good gift for girls. Smaller than I expected, paper is thin, but content is good enough if you are looking for not that expensive ideas.
