Customer Reviews

This book is a mixture of floral, fancy pictures, & block-y cartoonish angry cats. It's fantastic.

However, the pages aren't perforated & the paper is EXTREMELY THIN. B/c the paper is so thin, the pages will have to be removed in order to color them, but, b/c the pages aren't perforated, it will be very hard to remove them.

It's an Angry Swearing Cats coloring book...what more needs to be said?! It is awesomeOk seriously though...it is a very nice quality book. Thick pages your colors won't run though and front and back page printing gives you two pictures per page. It's a great gift for any cat lover.

Got this for my mother as she has recently was diagnosed with Cancer, needed a stress reliever, likes to color and loves Cats. She has gotten Tons of compliments on it.

Poorly designed coloring book that is so bad that it's not even charming or funny. 11 pages are wasted on what I think are ads for other versions of this s***** coloring book. What a huge let down.

Gave this as a gift to my fellow cat-loving friend. She went crazy for it! I would've given it 5 stars, but there were some weird "curse" words in this book that didn't make sense or weren't even a curse. Still liked it!

I have bought many coloring books. This is by far the worst one I have ever gotten. The art is awful. There are a lot of swear word coloring books out there, and the ones I have seen have beautiful pictures to color. They are funny. This one is really bad. It's not even funny.

I gave this as a gift and the recipient loved it. The coloring book has a good variety of cursing cat pictures. Perfect for those nights when you get home from a stressful day at a sh*tty job.

This coloring book is hilarious. Every time I go to color in it, I laugh my ass off. Have only used colored pencils at this point, but plan on trying gel pens later. The pictures are well drawn & it is full of swear words. I find it very relaxing to color in this book.
