| What exactly is a Word Picture Puzzle? A picture puzzle or picture riddle is a picture representation of a word or a popular phrase. The picture may contain letters, words, numbers, and symbols, all used with a purpose to represent the hidden phrase in a visual way. In this book, we have created five main riddle categories:

1. Find the Expression
2. Find the Object
3. Find the Movie
4. Find the Song
5. Find the Place

Customer Reviews

When I saw the title of this book, I thought to myself that it would be just another crossword puzzle book like the ones I am use to, where I just find the words and circle them. This book is quite different, it provides a unique way presenting the clues in a pictorial form using mostly letters and numbers. With additional clues such as find the phrase, place, song, movie, and object. If you are a lover of charades or just games in general you will love the games in this book. If you want to give yourself a mental workout, while having fun and learning this is a cool way to do it. This book would also be great to be used in playing games at a party, or to just relax and have fun alone or with family and friends.

I love this book so much! The book of riddles are very entertaining and fun to read! This book provides a unique way of presenting clues in a photograph form which has letters and numbers. The games that are mentioned here can be played in a family gatherings, bonding with friends/family or any party. We can benefit from these games while playing because it can enhance our memory and develop child's motor skills. Highly recommended for everyone!

I am going to be honest. We were a little disappointed. With thought the puzzles would be carried in type, but it's just the same kind over and over. We did enjoy it, but we knocked it out in an evening.

A great book to have a quality time with your family or friends. The riddles used in the book are of medium difficulty. The author has done a great job in covering many different types of riddles. I got this book during my flight with my nephew and it kept us busy till we landed. This is a fantastic book and I would highly recommend it to everyone.

The puzzles were not what I was expecting.

I honestly haven't seen it in person, I shipped it to a friend whose facing extreme boredom in prison. He absolutely loves the book and the variety inside it:)

I started to this word picture search puzzles when I was in college especially during to dull moments. Also, we had a game in my team just like this. This is really fun! A great brain exercise for students and can be played as well during team building.

Riddles are mind exercise and this book offers the best. A good read and I enjoy each puzzle/word games from this book.
