Great option for when you want to avoid 2 hours of songs you've heard a million times

My 3 year old granddaughter is a huge fan of the movie, so I bought this book because she also loves books. It did a great job of condensing the movie into a short golden book. The story and beautiful pictures hold true to the story of the movie. Makes a nice short, but not too brief, story to read to a child of her age.

Came fast and in great condition. My children love Frozen as a movie and I wanted to get the book.

Of course sing all the songs going through the book is fun too.

Great product, great price.

Awesome little books and I love my phone case.

My grandsons love the Little Golden Books!

Cute book! Just what I was looking for!
