What kind of wall calendar cannot be hung on the wall and used as a wall calendar? This one! ITS COMPLETELY USELESS. What a waste of money, as a calendar this product is a total fail. The artwork in it is fantastic, but you can just leaf through 12 pages like a magazine. that's it. It's not even coffee table book quality, and cannot be hung on the wall as a calendar. So what is the point? What idiot designed this as a horizontal landscape format? TOTAL FAIL.

Worst calendar concept I have ever witnessed. Don't buy it, you won't like it

I give my husband star trek calendar every year for Christmas, I had already ordered him one but

this one is 50th anniversary. So he gets 2 this year. He loves them all.

Really great Star Trek calendar. However it is horizontal and hangs by two holes. It takes some imagination as to how to hang it. Wonderful art

An excellent calendar with not just your traditional Star Trek photos. This calendar captures some fun and interesting artful motifs. It's a must for any calendar collection.

This was purchased for a Star Trek collector. Very nice and he will enjoy it.

I bought this calendar for my trekie wife, she loves it! Thank you!

definitely a must have for all Trek fans
