Customer Reviews

Our location in the Wisconsin northwoods helps keep Willow Creek Press off the publishing world's radar. Around here, we're more accustomed to landing walleyes and muskies than big books and authors - events hardly worthy of note in Publisher's Weekly. But, a few years ago we did get noticed with the release of Just Labs, a unique and colorful tribute to Labrador retrievers. The book quickly became a bestseller (now with 500,000 copies in print) and frankly startled us with its success. We were not surprised for long, however, and now an entire line of popular Willow Creek Press titles evokes the myriad joys of dog and cat ownership. Today we are known for high-quality, light-hearted books and the best Just breed calendars in the country.

I get a Black Cats wall calendar and they never fail to please me a lot!!!A chance to have a beautiful black cat start my day with a smile!
