The Unlikely Suitor: An Amish Romance

Synopsis

An unlikely answer to a desperate prayer. Beth Wittmer is a dedicated woman of rock-solid principles. Unfortunately, those principles haven't always been met with appreciation within the Amish community she calls home. Standing by a friend in need, when all surrounding voices opposed her judgement, caused a rift between her and the community and the family farm now pays the price. So, when a Hollywood executive asks her to host film star Brandon Price while he does research for his new film, the promised financial returns feel like an answer to a prayer. But the spoiled star soon has Beth wondering if her decision to play hostess was a worthwhile endeavor. Can Beth teach this shallow man that there's more to life than image, money and fame? Or will it be Brandon teaching Beth a few life lessons of his own?

Customer Reviews

However I didn't enjoy the end. It was unfinished. I appreciate free ebooks but was a little frustrated that this book turned out to be several novellas. I have nothing against that but wish I had known. I

didn't have any interest in the other stories. I will say the unlikely suitor was well written. The characters were believable. I just wish the whole story had been told

I really liked this Amish Romance book. The stories in this book were fun to read. I would have given this book a higher rating, but there were a few mistakes with the characters' names. I would recommend this book though, to anyone who likes Amish romances.

This book did not grab my interest, and the ending was not very satisfying. Perhaps other readers will like it. At least it was a freebie.

This was an entertaining story. I would recommend it to my friends. I enjoy happy endings and stories about the Amish.

This book is full of wonderful stories. I just wish they would go on with the after stories. Loved them all

This was a quick read. I like how it was written from the main characters' points of view. It was a little predictable but still sweet. I liked how the relationship developed based on good character. I did not like the cuss words. They were not necessary. I almost stopped reading it because of that but liked the story line. Thank you for the opportunity to read it.

I was enjoying the story, until it just ended at 32%. There was no real closer. It ended with a letter and an invitation. Unless there is a sequel, the ending was awful. I thought the ending was cliffhanger, but I don't think it was. The hero left one week earlier than he was supposed to and then it ended like that??? Big disappointment. The rest of the book had other stories which I was not interested in reading. If they ended like THE UNLIKELY SUITOR - open ended - I am not interested in reading anything else by this author. I thought the story did not download completely on my Kindle. The hero comes and stays with an Amish family who has been suffering since the heroine's parents both passed away and she took over watching her deceased friend's children. Dual POV. The hero's POV sounded feminine. "His companion was younger by twenty-five years, probably near my own age, and equally handsome." (Brandon's POV loc 17%)

The Unlikely Suitor : An Amish Romance By: Angelica Rose The Unlikely Suitor is An Amish

Romance novella by Angelica Rose. The story and the characters both were well developed. I love the main Character Beth, she is a very strong Amish woman and had a lot to deal with. Brandon a Hollywood executive comes to the family farm and offers Beth a deal . Will this deal helps Beth or hurt her?I Wass given a complimentary copy of this book, but was not told that I had to give a positive review.
