Customer Reviews

"For tireless seekers of the authentic." WALL STREET JOURNAL "This is the freshest-feeling guidebook since On The Road, that Kerouac thing. And Bruceâ€œs has better drawings." - PASTE "Unlike traditional guidebooks that list the same old must-see sights and touristy neighborhoods, this new series, entitled Wildsam Field Guides, gets at the soul of a city." - CONDE NAST TRAVELER "An intricate portrait of place; part guide, part tribute, part artwork." - CEREAL "Your grandpaâ€œs guidebookâ€œs loaded with local interviews, lore, hand-drawn maps, and city secrets. Wildsam launched its charmingly throwback series in 2012." - NATIONAL GEOGRAPHIC TRAVELER

Taylor Bruce founded the Wildsam series of American field guides in 2012. His guides incorporate personal essays, local interviews, illustrated maps, and archival anecdotes to capture the living history of some of Americaâ€œs favorite cities including San Francisco, New Orleans, Charleston and Detroit. Selected by National Geographic as a part of the prestigious "Traveler 50" list in 2014, the series will expand in summer 2016 to include guides to

great American road trips. Previous to starting Wildsam, Taylor's writing appeared in Men's Journal, Paste, and Oxford American, among others. Lauren Tamaki is a Brooklyn-based artist. Her clients include GQ, Lucky Peach, Esquire and Cole Haan.

Lovely book about this charming borough!

Exploring Brooklyn can be an overwhelming adventure - there's just so much there! This book does a beautiful job highlighting some true treasures in the borough with stories that you'll want to repeat to friends. As a New Yorker, I love this field guide and have referenced it the most!

This is a small book that packs a huge punch when traveling. Background on the neighborhoods, insight into the history of the city, as well as tips on some lesser known destinations. Highly recommended.

I've gifted this to friends who have settled in and some newly moving to Brooklyn - both love it and discovered new favorite spots they didn't know before. I love the maps and expertise insight - rad guide to BK.
