Jane O'Connor is an editor at a major publishing house who has written more than seventy books for children, including the New York Times bestselling Fancy Nancy series. She resides (that's fancy for lives) with her family in New York City. Robin Preiss Glasser actually wore

tiaras and tutus when she danced with the Pennsylvania Ballet. Now she happily spends her days in jeans, drawing. She has illustrated many acclaimed picture books, including the bestselling Fancy Nancy series. She won the Children's Choice Award for Best Illustrator of the Year for Fancy Nancy and the Mermaid Ballet. Robin and her family live in Southern California.

Has a good amount of kid friendly ideas and recipes for having all kinds of Tea Parties. It's not a traditional story so much as a Tea Party How To; which is exactly what I hoped for. There are recipe cards at the back of the book as well. My daughter flips through and picks out what she wants to make for our next tea party.

Wonderful book with beautiful illustrations. So much fun to read ! We have read it so many times and will probably keep reading it . Our tea parties are better than ever thanks to this delightful book. If your little one likes tea parties , she'll love this book!! Who ever thought tea parties could be so much fun. So happy I made this purchase !!! Our tea parties now are over the top and super fun .A must have for every little girl .

Awesome for girly girls. Lots of activity ideas. Great fun for those who love tea parties.

My daughter loves this book and the rest of the series. We got it for her for her birthday after I noticed she always checked it out at the library every time we went. It is definitely different from many other books she has and now she is starting to enter what I like to call the next chapter in her book of life.

My 6 year old absolutely loves Nancy and this book totally charmed her and her friends! Now the girls want to model Nancy and her "fancy schmancy" tea parties every weekend. Bake some tea cookies together and make some "tea" with your girls (and boys). What a great way to enjoy a lazy afternoon. p.s. Our "tea" was really various juices each time we celebrated! Enjoy!,

Everyone who knows the Fancy Nancy trademark can depend on another great production!

Very satisfied.

This is an excellent "how to" book for our young girl. We've read only the first four pages and have a

have had a tea party following the directions already. It's a lovely book.
