Sarah Albee, who once worked in the book division of Sesame Workshop, has written many Sesame Street titles, as well as original and other licensed children's books. She lives in Watertown, Connecticut. Julia Woolf illustrated Snow Wonder, a fall 2008 Step into Reading book. She lives in London.

This book was the perfect choice to help prepare my two-year old for Halloween costume parties and trick-or-treating. The book is full of vibrant and interesting illustrations and features a wide assortment of costumes and traditional Halloween symbols, from black cats to ghosts and jack-o-lanterns. The book is educational (ABC, obviously) and full of alliteration. The last few letters bring the night to an end with trick-or-treaters ready for sleep, so this can so serve as a bedtime book, I would recommend pairing this book with 10 Trick-or-treaters, a Halloween counting book. It is

equally good.

A Little Golden Book that is MUCH BETTER than Halloween candy! The kids wanted me to read it over & over!

The little boy that I gave this book to really enjoyed it! I was happy when I purchased it because when I went through it I saw what a fun and learning book it was! I received good customer service from the seller, great price and fast delivery!

Great ABC book anytime not just for Halloween

My students love the holiday related depictions of the Alphabet letters. Great for Halloween themed activities.

My 2 year old daughter loved this book. We read it everynight in October. She still requested it into November.

Great book

Children loved it!!!!
