## **Customer Reviews**

I am using this book for homeschool for my elementary aged kids. We love the small lessons and that we can work at our own pace. We add another lesson whenever we feel like we've mastered (or at least have a good grip on) the lesson. Highly recommend. Great price.

I plan on following this for my grandkids.

The bite sized lessons are fabulous! What a great idea!

Simple but a fun way to introduce Spanish to the family

Perfect for a family practicing Spanish!

Fantastic resource to start teaching at home

Its not clear if this is Latino Spanish or European Spanish. Im finding some of the phrases are not correct in the first few pages

i love it
