Accent On Achievement Book #1 For Flute

Exactly what the instructor requested.

no cd

I took flute for two years and this was my beginning book. I somehow lost the book and wanted to try my skills again, which had become rusty from not practicing. It is a good basic beginning book and I would highly recommend it.

Great item and super fast shipping, thanks.

Great book, very clear and helpful. Got it for a brand new flautist and she loves it.

this was a very good buy for a music book for my daughter.

good

this is a great learning tool for flute. It has the songs to play along to. is simple to understand. My daughter loves it and has learned a ton.
