Gardening Projects For Horticultural Therapy Programs

Synopsis

this is an idea resource for horticultural therapists and activity professionals in senior care facilities, hospitals and rehab centers. There are themed gardening activities for a wide range of functioning levels and hundreds of activities that relate to the plants being grown. Avenues for socialization, opportunities to relive memories and make new discoveries abound as residents, patients, clients and staff share the joy and wonder of gardening.

Customer Reviews

Hank Bruce has been active in promoting horticulture as a therapeutic tool, writing extensively and speaking throughout the United States on horticultural therapy and global hunger issues. He is a staff horticultural therapist at Leu Botanic Gardens in Orlando, Florida and author of "Gardening for the Senses, Gardening as Therapy" as well as 15 other books on gardening, end of life issues and writing.

so happy to be taking action on this & this book is full of ideas. Plus, the seller acted very promptly.

The projects are great, but the pages are too laden. It's hard to manage with so many words in each page.
