Customer Reviews

Robert LIguori an Oracle Certified Java Profession and a software developer / test engineer for several Java-based air traffic management applications.Patricia Liguori, a multi-disciplinary information systems engineer, has been developing real-time air traffic management systems and aviation related information systems since 1994.

A super helpful and easy to carry guide!

This is a very extensive pocket reference, it has more on one occasion been helpful on projects that I have had to do for schoolwork

Exactly what I needed. Have studied Java before but just needed a quick reference for things I forget and for a reminder of the new features. This book was exactly that. Absolutely love this pocket guide series.

Very good quick reference. Good examples

Needed a small book on Java.

Great buy. Great reference!!

Just what I needed.

Great, handy Reference
