Synopsis

From USA TODAY bestselling author and seven time All Star author, another page-turning cozy murder mystery! What would you do if your sister's husband of twelve hours, Clark, was considered a suspect by the police in connection with his rich Uncle Vinny's murder? And the rich uncle just happened to be a member of the Mob? DeeDee has no choice but to enlist the help of her boyfriend Jake, a private investigator, as well as Al, Uncle Vinny's scary bodyguard, to help her find the murderer and clear Clark's name. It could have been a number of people, but which one? Was it Uncle Vinny's cousin or his wife? Uncle Vinny had a lot of money, and although he hadn't come by it legally, the color was still green. Or the rogue cop whose father had ended the prostitution rings in Seattle, but was certain Uncle Vinny was the person who had resurrected them. Or perhaps Clark's business colleague who was jealous of Clark's recent promotion? Maybe it was the wedding planner who resented everything Uncle Vinny was giving the newlyweds, particularly the house on Queen Anne Hill. Or even Clark himself? After all, Uncle Vinny gave a toast at the wedding declaring him to be the sole heir of his substantial fortune

Customer Reviews

In my humble opinion this is one of the best novels yet by Dianne Harman in her cozy series! I have a feeling the Blue Coyote Motel will always be my absolute favorite-if you haven't read it you should!!). And yes--I have read most if not all her books and honestly loved them all. There are a lot of twists and turns in this one and you will be amazed at the strange bedfellows it takes to solve the murder of a member of the mob whose nephew is marrying DeeDee's little sister!! I'm not going to say any more--going to keep you in suspense--I really think you should grab a copy of this one and read it pronto!

Dianne Harmon is the only author that I buy her books, without having to read reviews and think about. This is another winner for her, and readers will definitely want to read. Usually she writes about things from her background, cooking, yoga, antiques, etc. so when this started with the mafia, I wondered how she came to writing this, for those are always interesting. These all can be read separately. Looking for the next one by her.

I don't mean to sound cliché, but Dianne Harman DOES IT AGAIN! Another book to add to one of my faves! There's nothing I can say that I haven't already said in my other reviews....I highly recommend this book! Once you start, you won't put it down until you reach the end! I TRY to read slowwww so I can extend my entertainment, but it NEVER works! :-) I loved it and I'm sure you will feel the same!

This was Awesome! the wedding of Roz and Clark has finally happened. Then murder strikes. Poor Uncle Vinny. Now Clark is a suspect and Roz is afraid. Deedee and Jake along with Al, Uncle Bonny's long time friend start investigating. The ending caught me by a little surprise, just had an inkling who it was. It was a good read!!

This is one of the best stories I have read in a long time. The plot was amazing in every way. With the murder of the groom's uncle, Jack gets involved for DeeDee's daughter's sake. I particularly liked the ending, as it is all heart.

Another great one. Didn't stop reading the book till I finished. I loved the character of Al. Actually

glad he slipped away. Jake's letter made him more endearing. Caught the hit of things to come!
CAN HARDLY WAIT FOR THE NEXT ADVENTURE.

I love DeeDee, Jake and Balto. They're quite the crime solving trio. I must admit that I was sorry to see Al go off the grid because I liked him. Hopefully we'll see him again in a future book.

Intriguing murder mystery. Great characters with realistic lives. Surprised by the ending. Makes me want to read more books by the same author.
