Customer Reviews

Koffi AmouzouviÃfÂçÃ â ¬Ã â„çs concept of the \$1,000,000 marketing system and how you can use it to ÃfÂçÃ â ¬Ã Â“Skyrocket Your Online Sales by 800%ÃfÂçÃ â ¬Ã Â• is not a ÃfÂçÃ â ¬Ã Â“get rich quickÃfÂçÃ â ¬Ã Â• scheme. The author strongly advocates readers start off with existing money or funds earned at a current job. Basically, the author recommends making the most of what you have right now. Amouzouvi recommends FIRST that before starting any business, a seller must have a constant supply of positive energy and motivation. He also suggests following a passion when it comes to selling onlineÃfÂçÃ â ¬Ã â •whether that passion relates to video games, sports, or another hobby. After an introduction and pep talk about his own success story, the author drills down to what he believes really matters in his \$1,000,000 marketing systemÃfÂçÃ â ¬Ã â •setting up multiple income streams. His reasoning makes sense: ÃfÂçÃ â ¬Ã Â“If one business slows down, you can always rely on all the other ones that are on autopilot.ÃfÂçÃ â ¬Ã Â•Amouzouvi then hones in on tips for boosting an online presence and selling more. He does discuss the virtues of using his own site, which I visited, and found helpful as a companion to the book. His book contains a few up-sells, which is not uncommon in online marketing materials. Overall, this book contains a tremendous amount of information and is written in a very engaging, friendly, and energetic manner. It reads as if a friend is delivering the advice on ÃfÂçÃ â ¬Ã Â“Skyrocketing Your Online SalesÃfÂçÃ â ¬Ã Â• over burgers and pizza at a favorite neighborhood pub.

Overall I must say great book. Many tips on ways to market with social media and emails. I would recommend this to any on looking to get started in the online marketing business because it will help you a lot. I personally have started implementing some of the tips in this book and have already started to see new traffic coming to my sale pages. Which did not take very long at all! This book will truly help you, its a MUST READ!!!

ÃfÂçÃ â ¬Ã Â“How to SkyRocket Your Online Sales by 800%: Internet Marketing BibleÃfÂçÃ â ¬Ã â„çs Top SecretsÃfÂçÃ â ¬Ã Â• by Koffi Amouzouvi is chock full of useful ideas and encouragement to increase your sales, or even get started making internet sales

today. With a strong emphasis on a positive attitude, Amouzoui offers secrets to creating wealth, starting with what you have today. This is not a book that advises you to take out a loan or borrow capital from your parents or other relatives, no – he assumes that you are going to use what you have, even if what you have is very little. Spending (at least to start) around 30 minutes a day, you can apply his methods, and those found on the websites he suggests, to start increasing your sales both Online and OFFline. Something other books of this kind do not offer or go over. Fair warning, this is not a get rich quick scam book, this is a guide that encourages you to work, in fact, it requires that you apply the hard work and the effort to get yourself there. With time and thought, following these valuable secrets, you can jump your sales up and start generating renewable wealth.

What I took from this book is some fuel for the fire regarding focus, doing what you love to fuel the passion, which fuels results in business. The author is right... with the technology we have now, it is easier to make money than ever in history, when you have the right tools, strategies, and perspectives. Great motivation for anyone trying to take their business / sales to the next level and for anyone getting going on their first business. I have more tools now in my business toolkit!! Recommended!!

Contains secrets to successful marketing. Good for people who want tips on internet, offline and social media marketing.

I have started an online business in the last year and I was struggling to get traffic and sales. This book has been an amazing help and has really improved my business by implementing some of the simple strategies outlined in the book. This book gives any entrepreneur tips and ideas on how to grow your business further with the tools you already have. A brilliant book full of sound and practical advice.

A very good book. It helps you to precisely increase your overall sales by many factors. We get engaged in an aromatic essence of business world. Epic.

I have been a full time online marketer for quite a few years and make it my business to read these types of books to stay current on the industry and make sure that I am not missing anything important that could give me an edge. Author Koffi Amouzouvi has some great timeless information

here about becoming a successful online marketer that I think would benefit anyone just getting started or someone who has been in the game for awhile. From his insight about advertising methods to different income streams, I found this to be useful and relevant information. Recommend.
