Fodor's Greek Islands: With Great Cruises & The Best Of Athens (Full-color Travel Guide)

Synopsis

Written by locals, Fodor's travel guides have been offering expert advice for all tastes and budgets for 80 years. For many travelers, the Greek Islands represent the ultimate Mediterranean getaway. Spectacular full-color images of impossibly blue seas, whitewashed alleyways draped in pink bougainvillea, and famous historical sites add a special dimension to Fodor's Greek Islands. Helpful tools such as an at-a-glance Island Finder and a cruise chapter make it easy for travelers to plan their perfect trip. Also included is full coverage of the big-city wonders of Athens. This travel guide includes:

- Dozens of full-color maps
- Hundreds of hotel and restaurant recommendations, with Fodor's Choice designating our top picks
- In-depth breakout features on Greek cuisine, Mykonos nightlife, and Santorini
- Coverage of Athens, The Saronic Gulf Islands, The Sporades, Corfu, The Cyclades, Crete, Rhodes and the Dodecanese, and The Northern Aegean Islands

Customer Reviews

I thought this book was fine and would have given it 4 stars normally since I typically like another

guide book comany better. However, I am giving it 5 stars because we went to a resturant from the book that ended up to be the highlight of the trip. It had the most amazing fresh grilled octopus and I wish I got a second order because i miss it so much. It involves a lot of reading but it did provide some good things when you take the time to read.

Fodors really does the research. Have always had great results when using there information

Unfortunately, this book did not help me on any of the smaller islands that I went to (Lesvos and Kefalonia). Then while on the bigger (more popular islands) like Santorini the information was not that in-depth. Overall, the book was in serious lack of pictures and the maps were only good for a macro overview of the island...not a decent street map inside.

An informative guide for the price

The content of the book is wonderful but the print is small and the paperback book is hard to keep open.

Helpful and up to date guide. We had good luck with the restaurant recommendations and some of the site info

as described

Yes wonderful book
