Cry Out: Let God Have It!: A 30 Day Personal Bible Study For Girls Ages 8-12

Synopsis

Have you ever been so upset or hurt that you cried into your pillow, not knowing what to do? Why not step back, and take a 30 day trip, with me! Join me as we dig into the Bible and travel through Hannahâ€™s story. With plenty of reasons to be upset, Hannah might have found herself frustrated. Not only were her family, friends and enemies a source of pain, but they could have caused her to become angry. In fact, Hannah was so upset with her life, she could have been very mad at God. Instead she turned to God and gave Him all of her hurts, and her life was forever changed because of it. Through Hannah, this personal Bible study will teach you how to Cry Out to God. In these pages, we will learn that He loves and cares about us so much by daily reading from the Bible, learning about Hannah, and answering a few questions. Discover how the Bible isnâ€™t the big, boring, and hard to read book you might think it is, but rather an exciting love letter written to you by God to help you every day. Godâ€™s Word is powerful! Letâ€™s be girls who know and study the Bible, and are strong because of Him. I canâ€™t wait for you to join me as we learn about an amazing woman in the Bible! Soâ€¦what are we waiting for? Letâ€™s go!

I bought this for my daughter's 8th birthday. She and I do one page a day together and we read the passages in the Bible that go along with the study. She enjoys it and is getting a lot out of it, and it creates wonderful discussions for the two of us. I can tell that the study sticks with her because she will ask me questions about Hanna's story or concepts the study discusses while we are riding in

the car, or at the grocery store. I love that this is something interactive that she and I can do together, it's not just me reading out loud. Seeing the answers she puts to the question in the study makes this Mama's heart full and happy!

Awesome- my 9 year old loved it and it was fun and easy to follow, a lot like Mom's studies!
