This is a beautiful coffee table book, but mislabeled as "100 Greatest Waves" Tofino in Canada, Nova Scotia, New England, Long Island, The Great Lakes, Taiwan? The list goes on and on of waves that would not make anyone's list of 100 greatest waves. It should have been named Waves Around the World. Pretty book.

Beautiful wave photography and informative surfer travel information. Gave as gifts to surfer family members and it was a hit. Ours sits on the coffee table for all to see and read. Surfers everywhere will benefit from this well designed, beautifully photographed and informative book! A surfer's "Dream Building Guide" to world wide destinations! Highly recommend.

This was a Christmas gift for my surfer family in California. They LOVED the book, its information, and what they call its inspiration for their future surf travels. I'm very happy to have thought of this purchase, and also give kudos to the seller for getting the gift to CA in time for Christmas!

I bought this for my boyfriend as one of his Christmas gifts (he surfs most days of the week) it's an awesome coffee table book that is filled with beautiful vibrant photos that extend to the very edges of each page and lists the greatest waves with info about the waves and when to go.

Really nice book, exceptional pictures !!!

Fast delivery and good quality. Boxes.

Love!

Bought this as a gift and they loved it! The pictures are very colorful and beautiful.
