Anu, Ther Annunaki, And Other Godlike Things (The Gnostic Trilogy Book 3)

Synopsis

Anu-The Annunaki and Other Godlike Things SynopsisBook One discusses who we are, where we came from, and what we might chose to be in order to possibly become more than we are. You may not like what you read but itâ ™s probably closer to the truth than you are have usually exposed to. I am not claiming that every word is perfect truth, just that as a whole itâ ™s probably closer than existing paradigms of our origins.Book Two discusses issues related to being Immortal in your soul, and then the things that will be important as you begin working on the path towards becoming a minor God. Then finally discusses a series of issues related to the true Creators of our Multiverse.This is the final book of my Gnostic Metaphysics series. Itâ ™s targeted at those that would rise above what they are, hopefully without fear and become eventually in their souls at the very least, Homo-Sapiens-Sapiens.
