Bratislava, Slovakia Travel Guide - Sightseeing, Hotel, Restaurant & Shopping Highlights (Illustrated)

Synopsis

Bratislava is the capital and the largest city of the central European country of Slovakia. It is located in the southwestern region of the country, just a short distance from Vienna, Austria and is the only national capital in the world that borders two other countries – Hungary and Austria. It occupies both the banks of the much celebrated Danube River and fans out on the left bank of the Morava River. As well as being the cultural, economic, and political center of Slovakia, Bratislava is popular for its historic palaces, medieval Old Town, and a host of fine churches, museums, and galleries. Customer Reviews

I think it is important to have a visual and this book didn't have pictures of the places and things you will be looking for when you travel.

I used this book in conjunction with some others and found I only really used it once. I'd suggest just using the city walks app.
