Customer Reviews

Wonderful Amish story of love, wanting true love and fear of not being truly loved. Brenda Maxfield has brought many emotions to life in this 3rd book of the series.

Enjoyed that Greta hung in there for the man she loved and was true to her promise to her friend. I had a hard time pulling for Isaac, but he finally came through to be the man Greta loved and needed.

I beg you not to read the end first! This has the finale of the trilogy and it will. Bring tears. Well written just as the first two books.

This was the third book and I enjoyed all of them. I don't think I would make the promise but it was a great idea for a book.

I really appreciate how the amish people as a community take care of eachother and provide what is needed to be a family.
